Rhoda Mc Neal wife of A. L. Mc Neal, Caroline Gibson
wife of J. S. Gibson, and Jane Orator are each entitled
to one fourteenth of said estate.

6 Your Orator states that Charles H Ewing and Lettiea
have children of the said R S Ewing dead, have not
been heard from for more than seven years last past
and it is believed by their relatives that they have for
years been dead and your Orator charges that under
the facts of the case they are dead in law, and that
the other three brothers & sisters are entitled to the ^{said} R S Ewing's
share of the said estate.

7 Your Orator now states that the said Alexander Ewing
at the time of his death was the owner in fee of
about 660 acres of land lying in Jackson County Va
on both sides of Trading Creek about 7 miles west of
Geneseville, and the same is made up of four separate
tracts, one of which is known as the Home tract and is
supposed to contain about 300 or 320 acres, a second is
known as the Cedar Estry and is estimated to contain
about 190 or 200 acres, the third is known as the Davis

tract and is supposed to contain 130 or 140 acres, and the fourth is called the Smiths tract and contains some 13 or 14 acres. The first two lie along the side of each other and is on the south side of said creek, and the last two lie on the north side thereof and are somewhat disconnected with the other two tracts:

Your Orator now states that these lands at the death of said Alexander Ewing, descended and passed to his brother and sister, and half brother and sister, and their descendants before named, in the proportions as herein stated;

Your Orator states that the said Davis tract, and the said Smiths tract, are so small and disconnected with the first two, and the interested parties so numerous that to partition them would be to destroy their salable value.

Your Orator therefore alleges that the interest of all parties will be promoted by a sale thereof, and so far as your Orator has been able to learn, all parties interested therein desire that said two tracts be sold and the proceeds thereof distributed according to the rights or interest of the parties.

Your Orator further states that while the Home tract and the Cedar entry are large taken together, and lie very well, and are convenient for partition, yet as the heirs interested therein are very numerous, and widely scattered, and a large majority of them living outside of the state, and permanently located where they are that the interest of all parties will be promoted and best subserved by a sale of these two tracts also, and your Orator avers that a large majority of the interested parties, desire the entire lands to be sold and the proceeds divided.

Your Orator states that A. B. McKail wife J. S. Gibson wife and B. F. Kencaid own land adjoining ^{to or near} these, and ^{it} is probable

1 that they may desire that their interest in the home and border
2 tract be laid off and assigned them adjoining their other lands
3 and should this be done, then your Orator alleges that
4 the interest of all others will promoted by a sale of $\frac{1}{4}$ of
5 the said home farm and border entry, and the entire Davis
6 and Scuthers tracts.

7 Your Orator states that James Overton Eliza Overton John A
8 Beatty, Coffin, Sarah E Coffin, James G Rose, ~~Virginia~~ Rose,
9 Ewing Thomas, Isaac T Thomas, James Thomas, Edward Campbell
10 Sarah Campbell, Sarah Cox, Alexander Cox, James Cox, Charles St.

15 known heirs at law of Mary Troup dead, Walter Troup, Susan
16 Troup, — Spratt, Adrian Spratt. — Love Junie Love
17 Charles Ewing, — Rice, Sally Rice, Thomas Ewing Wm Ewing
18 George Ewing Stephen Ewing and John Ewing are all now residents
19 of the state of Virginia.

20 Under the facts of this case Your Orator is advised
21 that he is entitled to have said real estate sold in a body
22 together and the proceeds divided among the parties, or if not
23 so sold to have the same partitioned among the parties
24 according to their rights. And after allowing to said McNeil
25 and wife and Gilson wife and B. F. Kincaid their due and
26 just portion of said ^{real} estate to have the residue sold and
27 to attain these ends is the object of this bill.

28 The premises considered your Orator prays that said

Your Orator Joseph H. Ewing humbly complaining
would respectfully represent that during the summer
of 1889 he filed his original bill in this Honorable court against
A. B. McNeil wife, and the other heirs at law of the late Alexander
Ewing decd. the object of which was and is to obtain a
decree of your Honor for a Sale of the real estate in said
bill mentioned and described, and if that should not be
deemed advisable, then for a Sale of a part thereof, and
a partition of the residue among the parties entitled thereto,
and to that bill he made all of said heirs save himself defendants
thereto.

Your Orator not waiving or changing any of the statements
contained in said original bill, but inserting therein, He
by the direction of your Honor entered of record at the last
term and by way of Amendment to his said original bill

to be interested in the subject matter of said suit and
by her Petition filed in this cause she claims to be the owner

denying that she has any right title or colour of claim to any
part of said real estate Your Orator in obedience to the
order entered in said cause at the last term now makes
the said Helen S. Wood a defendant to said original, and this
amended bill and he also makes the defendants to said original
bill likewise defendants to this amendment. And he here
reiterates the prayer of his said original bill May the

in Chancery in your honor's Court, the sub-

by Alexander Ewing deceased partitioned
among his heirs. The bill of the said plain-
tiff sets forth the several tracts sought to
be partitioned, and among said tracts is
the home tract containing 300 or 320 acres.
Your petitioner will now shew ^{unto} your honor
that about the year 1856 the said Alexander
Ewing gave to your petitioner a portion of
said tract of land, on the east end thereof,
and placed her in possession and she
built a dwelling house on said land
and cleared ^{a portion thereof} ~~the land~~ and made other
permanent improvements thereon, and
your petitioner has lived on, used and
occupied the said land from that time
until the present, holding & occupying the
same openly, ^{continuously} notoriously and adversely to
the said Alexander Ewing and all others,
the said Alexander Ewing recognizing the
said land as your petitioner's, and she is
now in the possession thereof. The parcel
of said ^{tract} ~~land~~ thus given your petitioner by

said Ewing at that time, and at other times since the said year of 1856, and prior to the year 1875 - contains about 100 acres.

Your petitioner therefore prays that the said plaintiff be required to amend his bill and make your petitioner a party thereto, and that she be permitted to answer said bill and set up her rights in the premises, and for all further & general relief. - And your petitioner will ever pray &c.

home tract of land, on the east end thereof,

A. C. McNeil wife & others Defts

The parties by mutual consent at the ~~expiration~~
term of said court for the year 1890 having made
this a vacation cause the same therefore came
on to be heard and determined before the judge
of said court in chambers at Estillville Scott County
Virginia on the 10th day of Dec^r 1890 on the ^{amended bill} bill
of the plaintiff, the Petition and answer of the
defendant, Helen S. Wood, and replication thereto, the
deposition of sundry witnesses taken and filed in the cause
the written and oral arguments of counsel; on consideration
of all which It appears to the court, that the claim
attempted to be set up by the deft. Helen S. Wood, to
the tract of land in her petition and answer ^{mentioned} is not
sustained by the law of the land and facts in the cause
(75th Va Reports 436)

It is therefore adjudged ordered and decreed, that
the ^{Petition of} ~~the~~ Joseph H. Ewing for himself and the other heirs
of Alexander Ewing dec^d. ~~dec^d~~ of the deft. Helen
S. Wood, the tract of land mentioned and described
under the said Alexander Ewing deceased
in her Petition and answer, and that the ~~def^t~~
said land mentioned in said petition ~~same~~
also ~~remain~~ against her the cost occasioned by her
belonged to said dec^d to be paid to her ~~heirs~~ but said Helen S. Wood is entitled to hold
the same until the commencement of next year March 1st 1891
at which time she will deliver possession And a writ is awarded

the J^{ff} to cause him to have possession of the land so awarded
if possession be not delivered at that date viz Mar 1st 1891

And it is now further adjudged ordered and decreed that the same tract of land including that part heretofore claimed by Helen S. Wood and the tract called the Becker farm, be partitioned as prayed for by the Pettr in his bill, among the heirs at law of Alex^r. Ewing dead and to attain this end, L. M. Barnickall, Ota H. Ward, Luther Slemph, Alexander Litten and Putnam Kinsler be appointed commissioners to make said Partition, and any three of them shall constitute a board for that purpose. Said commissioners will then proceed to take into consideration the conveniences and inconveniences connected with said land, the quantity and quality thereof the timber thereon, and the ^{ways} water and water privileges and upon this basis they will divided said lands into 14 equal parts as near as practicable upon the basis aforesaid. And two of these shares adjoining each other, they will assign to the heirs. Sineal & collateral of Stephen Ewing dead. Two of such shares in a body together they will assign Sarah E. Coffin. One such share they will assign the Pettr. Joseph H. Ewing. One such share they will assign the 5 heirs at law of Meriwyn Thomas dead. One such share they will assign the 3 heirs of Calina Cox dead. One such share they will assign Rhoda M^r. Neil wife of A. C. M^r. Neal, and if they can do so without

prejudice to the rights of others, said Comrs will lay
this share off to her adjoining the land of her husband, A. B. McNeil.
One such share they will assign to Eliza Overton
wife of James Overton; and five such shares they
will assign to B. F. Kincaid - one in right of his
purchases from his Brothers and Sisters, one in right
of his purchase from J. S. Gibson wife, one in right
of his purchases from the heirs of R. S. Ewing dead. and
two such shares in right of his purchases from the heirs
of Letitia Barty dead. Said Comrs may assign these
five shares in a body together to said Kincaid, if they
can do so without prejudice to the rights of the other
parties. And the Peff Joseph H. Ewing owning one
of said shares in his own right, and having in his
hands for sale four other such shares, said Comrs
may lay off these five shares side by side in a body

And said Comrs will report their action to the
Court. And H. J. Morgan the Comr. who sold the
two small tracts of land in this cause for \$700. which
sales have been confirmed, and he having shown in his
report of such sale that he had not retained
any part of such sale as commission, on his
motion it is ordered that he turn over to the

At McNeil wife and Deft)

On Motion of Helen S. Wood who this day filed her petition in this cause sworn to according to law. It is ordered that the plaintiff do amend his bill as to make the said Helen S. Wood a defendant thereto. And it appearing from said Petition that a controversy will arise, as between the heirs of Alexander Ewing, and the said Helen S. Wood as to about 100 acres of the same tract of land in the bill mentioned, and that the same may continue some time before a final decision thereof may be reached, and that in the mean time said small tract of land should be rented out, ~~in order to shield the parties interested~~ their just dues. It is therefore adjudged ordered and decreed that said same tract of land in the bill mentioned ^{except that part claimed by said petitioner,} be rented out to the highest bidder ~~from now until Nov. 1 1890. and~~ ^{from now until Nov. 1 1890.} and such rent to become due and payable Nov. 1st 1890 and Joseph H. Ewing is appointed a receiver in the cause to rent out the same for said period, and before doing so he is required to execute bond as such receiver before the clerk of this court with good security in the sum of \$1000— with condition to faithfully account for all such rents, and as the Davis and Southers tracts of land in the bill mentioned are not affected by said controversy, and as the Peffer seeks in his bill to sell these two small tracts of land in any event and it being conceded by all parties interested, that a sale of said two small tracts will promote the interest of all. It is therefore further adjudged ordered and decreed that said Davis tract of 100 or 140 acres and the Southers tract of 13 or 14 acres

be sold, the first on a credit of One and two years time, and
 the second on One years time - with interest from day of sale
 and the purchasers required to give bond with approved
 security for the purchase price. Said sale shall be made
 after 30 days notice showing time, terms and place of sale,
 and shall be made at public auction to the highest bidder
 at the front door of the Court House of Lee County on some court
 day, and Henry J. Morgan is appointed a Special Com.
 to execute this decree of sale, who before doing so, is required
 to execute bond with security before the clerk of this court in
 the penalty of \$1500. with condition to account for all money
 he may receive by virtue of this decree and said receiver
 and Com. will report their action to the court and the
 cause is continued.

The depositions of James
Kinsler and others, taken
pursuant to an agreement
at the Clerk's office of the circuit
court on the 1st day of
August 1890, which when
taken are to be read on
behalf of Helen Wood Deft
in the Chancery Cause of
Joseph H. Ewing vs A. L. Mc
Niel wife et al.

Present Attorneys for Plff & Defts.

The said James Kinsler a witness
of lawful age being duly sworn
deposes and says.

I am acquainted with
the farm on which Helen
Wood now resides. I have
worked for her as a farm
hand on said farm, and
have rented land of her,
apart of said farm and paid
her rent, and she ^{has} paid me
for labor on said land, this
renting and work was about
5 years ago and before Alex
Powers death

On this farm, there was
an old field having black
berries on it, and I went to
Alexander Ewing and asked him
if I could pick some berries,
He told me I would have to
see Mrs. Helen Wood about the
berries, I saw her and got her
permission to gather the berries,
this was three years ago.

I examined

Are you in anywise related
to Mrs. Wood?

Ans. Only by marriage, I married
her grand daughter.

Ques 2. How many acres of land
did you have rented of Mrs.
Wood the year of which you
speak.

Ans. Seventeen acres.

Ques. 3. What kind of labor did you
do for Mrs. Wood. What you
were paid for?

Ans. Making Rails.

And further this certificate
not.

James Kinzer

Benjamin H. Shupe and other
witnesses of lawful age being
duly sworn deposed and says.

Some 18 or 20 years ^{ago} Mrs.
Helen Wood called on me, as
a Carpenter to do some work
for her on the house she
now lives in. I contracted with
and done work for her on said
house, made doors, laid floors
sided, put roof on and in
fact built the house except the
wall which was put up, Mrs.
Wood paid me for doing
said work, at that time
she claimed the house and
farm as her own. I have
often heard her claim the
land and premises as her
own, Mrs Wood has been
living on this farm and at
this place ever since I was
a boy and I am now 42
years old, I live in the
neighborhood and it has
always been my understanding
that Mrs. Wood has occupied
and controlled this farm without

paying any rent, or compensation
in any way for the use of said
land.

X Examined

You say Mrs. Hood claimed
the house & land on which she
lived as her own, was this
in the presence of Alex. Ewing?

Ans. I don't remember that this
claim was ever mentioned
in the presence of Mr. Ewing
or not, but he was frequently
there while the work was
going on building the house.
but I know that what she said
about this land was while she
was in possession of the same.

Ques. 2. You say it was always your
understanding that Mrs. Hood
occupied this house and land
without paying rent therefor, please
state how you got this understand-
ing.

Ans. I got it from Mrs. Hood and I
think from Mr. Ewing himself
and from the neighborhood
generally.

Ques. 3. When you were doing the

work in Mrs. Hood's house, was
Mr. Ewing about frequently,
if so did he or not make
suggestions as to the work
being done by you.

Ans He was frequently there, but I
don't remember that he gave
any directions about the work.

Ques. 4. Were Mrs. Hood and Mr.
Ewing related to each other?

Ans Not as I know of.

Ques. 5. At the time you were doing
the work in said house was
not Mrs. Hood a married
woman and had a living hus-
band?

Ans I cannot tell - I was informed
she had a husband he was not
there and I can't say whether
he was living or not.

Ques. 6. Was she ever afterwards
married?

Ans I suppose not.

Ques 7. Was she afterwards born any
children born to her?

Ans She did not.

And further this witness with not.
B. W. Shupe

Wm. Columbus. Ily an other witness
of lawful age being duly sworn
deposes and says.

I have worked for Mrs.
Oscar Woods on the farm where
she now lives, I am well acqu-
ainted with the boundary of land
she claims, on one occasion I
went to cut rail timber for Mr.
Alexander Ewing and he dire-
cted me specially where to cut
rail timber for him so as not
to cut on a certain strip of
woodland on the land claimed
by Mrs. Wood. I also remember
that Mr. Alex. Ewing on an other
time in speaking of a man
by the name of Check cutting
wood for Mrs Wood on the
bluff on his land, he said
he did not want any wood
cut on his land by Mrs. Wood
and that he wanted her to
have wood cut on her
own land or side

I have often heard Alexander
Ewing speak of the land

by Mrs. Wood, as her fields,
he would direct me to get stock
out of her fields, when they
happened to break over.

I was employed by Mrs Wood
to assist in making rails to
fence a certain field, which
I understood she was having
cleared by a man by the name
of Davis - Mrs. Wood paid
me for the work I done in
making rails, I worked some
in the clearing and was paid by
Davis for said work.

As far back as I can remember
Mrs. Wood has occupied this
land, at any rate for the past
30 years, using it as a person
would their own property.

I examined

ques. 1 Can you state positively that
Mrs. Wood had exclusive con-
trol of said land for the time
she has been living on it?

Ans. As far as I know she has.

ques. 2 How long since Mr. Clark was
cutting the work spoken of by you.

Ans. I cannot exactly state but it has

been some four or five years so far as I can remember.

The clearing and land making spoken of has been some 8 or 10 years ago, but I cannot recollect exactly where.

Ques. 3. At the ^{time} of the wood chopping spoken of by you, did Mrs. Hood own any other land than the land here in question?

Ans. Yes, I suppose she did, but if she did it did not adjoin the land on which she lived but was situated about a mile distant therefrom.

Ques. 4. In working for Mr. Ewing in his life time, did he ever send you to work on the land claimed by Mrs. Hood?

Ans. He did, and he paid me for said work, I with other hands have taken teams and chucked and hauled in corn and helped to thresh with machine on said land and some times he would pay me and some times Mrs. Hood would pay me we also worked in this way on the lands of Harvey Hood. And further this witness saith, not.

Aug. 2ⁿ 1890

Met pursuant to adjournment, present Atty^s Gen. Peff & left.

Jacob Thinsen a witness of lawful age being duly sworn deposes and says.

I have worked for the past 20 years, occasionally for Mrs. Helen Wood on the farm and premises where she now lives, building cribs stables houses and farm labor, during this time she has been in the possession of the land she now claims, calling it her own land to me.

I was well acquainted with Alex. Ewing, and have often heard him distinguishing this land as Mrs. Helen Wood's.

There was a certain fence that he cultivated to and beyond that fence Mrs. Wood cultivated. Mr. Ewing called the land beyond that fence Mrs. Wood's. I know the fact that Mrs. Wood had land cleared on said boundary.

put up fences and otherwise
improved said land, and I
never heard of her paying any
rent for the use of said land.
+ Examined.

Mrs Wood before she moved on
these premises lived at Alex.
Ewings in an adjoining house to
where he lived. I cannot say
that she was a married woman
at that time, ^{if she was} her husband was not
there with her; Mr Ewings never
had any land cleared on the
boundary occupied by Mrs. Wood.
So far as I know.

Ques.

Was it ^{an} uncommon thing in
the neighborhood of this land
for the owner to lease out his
lands a certain number of years
in order to get them cleared and
fenced?

The above question is objected to
because, not relevant - nor perti-
nent to the issue - It is too general and
does not relate to this land.

Orro Dickerson

Ans.

It was not an uncommon thing
for men to lease land, but I don't

think Mr. Ewing ever leased
out any land.

Mr Ewing was not a man
that ever talked much about
his business, but I thought
the way he came and talked
about this land that he had
really deeded it to her, until
after his death.

Some 15 or 20 Years ago, and
after Mrs. Wood was in possession of
this land, Mr. Ewing had culti-
vated, a field of this land, in
question in corn and I should
said corn to Mr. Ewing's house.

I do know that Mrs. Wood
never paid any rent on this
land. I don't, know under
what contract, ^{if any} Mr. Ewing
cultivated the field in corn
before mentioned, but Mr.
Ewing acted as if he had
leased it of her, he cleaned
it up and tilled it, and then
never tilled it any more and
called it Mrs. Woods

Mrs. Wood as I have stated
never paid any rent, and never

I know this, is that I assisted in gathering Alex. Ewings corn and Mrs. Woods, nearly every year for the past 20 years and no rent was ever paid, I would help put her corn in ~~the~~ her crib and she would pay me for it. Mrs. Wood so far as I remember always paid me for work done for her, but Mr. Ewing might have paid me for some work done for her, I cannot state that she did not pay said Ewing money rent. I know he did not get part of the crop.

I know that Mr. Ewing never pastured any stock on the lands claimed by Mrs. Wood. During these 20 years I have lived not over 1 or 2 miles from them, I lived with Mr. Ewing the most of the time.

Mr. Ewing frequently visited Mrs. Woods house, often between 12 and 4 o'clock in the evening.

Mr. Ewing occasionally rode out his own land for a part

13th

of the crops, but not after.
but he never that I know
of ever rented land from
other persons to cultivate himself.
Re-Examined.

During the long time you state that
you were in the service of Mr
Alexander Ewing, did you ever
hear him claim the land, or exer-
cise acts of ownership over the part
claimed by Mrs Wood?

Ans. I never heard him claim it or
exercise any acts of ownership
over it in any way.

And further this deponent with not
2 days 8/00.
Jacob ^{his} ~~son~~ ^{son} ~~son~~

Now David an other witness being
duly sworn deposes and says.

I am well acquainted with
the land on which Mrs Helen
Wood now lives and claims.

I have done a great deal of
work for her on said land,
such as clearing land, helping
to build houses fences &c and
was employed & paid by her for
said work. I have known

said land and thus worked on it for the past 22 or 23 years. during these years Mrs. Wood occupied, used, and controlled said land as if it had been her own and in fact I thought she had a deed to it, she at one time hired me to clear about 11 acres thereof and paid me for it, and no one else had any thing to do with it.

On a certain occasion I heard Mr. Alex. Ewing, say that he thought that Mrs. Wood was having her land plowed too wet, and remarked that he did not plow his land when it was too wet. I also heard Mr. Ewing say that he paid the tax on that land Mrs. Wood did not pay it.

X Examined

Ques. Do you know this land ^{claim of}

by Mrs. and is it under fence?

Ans. I do not know exactly how much she does claim, but if she claims from the fence

Straight on through the woods
it is not all under fence.

I suppose that there is about 25 or
30 acres in woods of the land the
claims and not under fence.

Ques. 2. Has all the lands in question
is under fence, but so fenced
enclosed and occupied by Mrs.
Hood, for a period of two years
prior to Sept. 1st 1889.

Ans. It has.

Ques. 3. Did Mr. Ewing ever employ
you to ^{clear} ~~cultivate~~ any of lands
now claimed by Mrs. Hood, &
if so when?

Ans. He never employed me to clear
any, but he hired me by the
day to help clear off a piece
known as the 7 acre piece &
he paid me for it. This was
soon after the late war.

Ques. 4. Do you know of Mr. Ewing
ever taking from this land in
question any of its products.

Ans. The year after we cleared up this
7 acres, Mr. Alex. Ewing tended
and gathered the crop therefrom
I supposed that as she had but

few hands that he got what was
raised on it for clearing it up
afterwards she used and cultivated
said land.

The latter part of this question
which refers to ~~the~~ what the
witness supposed about this
clearing was objected to being
put down here but Mrs. Hood's
counsel insisted that the
Court should put it down,
so the plaintiffs object to
this part of witnesses state-
ment because his suppositions
about any matter are not
evidence.

+ E. H. Farrington

Ques. Did you ever know of Mr.
Ewing to rent lands from
others to have cultivated

Ans. I do not if he did I don't
know any thing about it.
If he had done so I would
likely have known of it,
except the 7 acres spoken of
and I don't know how he
tended that

Ques. If you know, state whether Mr. Ewing frequently visited Mrs. Hood.?

Ans. I have seen him in passing at Mrs. Hood's when I was at work for Mrs. Hood he would frequently be there stay awhile and go off again.

Ques. Is it or not a notorious fact or general understanding in the neighborhood that Mrs. Hood was the mother of two or three children the father of whom was Mr. Ewing?

Ans. It is.

And further this witness saith not,
1 day 50[¢] Wm. J. Smith

W. Frank Smith an other witness of lawful age being duly sworn deposes and says.

I am well acquainted with Mrs. Helen Hood and the land she now occupies I have known the farm and premises very well for the past 13 years - and I was well acquainted with Alex. Ewing I have often heard him speak of

the land on which Mrs Wood resides as being her land on one occasion I heard him say that Mrs Wood and her son Harve had as good land as he owned, but he could beat them raising ^{wheat} corn & use his old harrow.

On January before Alex. Ewing died in March following I had been to take Mrs Wood's daughter Cornie to school, and stopped at said Alexander Ewing's and he stated that Mrs. Wood was not able to send Cornie to school, and keep up her fences &c. he stated that she was letting her farm go down.

During the entire time that I have known this land Mrs. Wood has used, controlled and managed it as her own, I never knew Alex. Ewing to exercise or claim any ownership of said land. On an other occasion I

heard Alex Ewing say that Mrs. Wood was having her land plowed too wet. I also heard him say that Mrs. Wood had been having some timber cut over on his side and that he would like for her to have wood cut on her own land, the timber here spoken of had been cut by myself & Marion Chapier, it was cut for Mrs. Wood & myself, and I thought at the time it was on Mrs. Woods land, but did not, nor do I know now whose land it is.
X Examined.

Q. Are you in any way related to Mrs. Wood; if so what is the relationship?

A. I married her daughter.
Q. Did Mrs. Wood ^{own} any other land at the time you and Chapier were cutting wood of which you speak.

A. It was my understanding that she owned a piece of land on Trading Creek, about 2 miles from where she lived, nowhere

her son Mr Wood lives.
wit claim And further this witness saith not
2 days 1.00 W. J. Smith

T. F. Gibson an other witness
of lawful age being duly sworn

I have known the land and
premises on which Mrs. Wood
now lives for the past 22 or 23
years or ever since the late
war. Mrs Wood has lived
on, controlled used and
occupied said land as
her own during this time.
I reside near by said land.
X examined.

Can you state that the pos-
session of this land in question
by Mrs. Wood was not by
the consent, agreement or
contract of Mr. Ewing?

Ans I don't know how she held the
possession of said land. I never
heard of Mr. Ewing receiving
any rents from said land.

Ques. Did you ever hear Mr. Ewing

(21)

say anything about a certain row of Cedar trees standing along a certain fence by a house on the East side of the land claimed in this suit by Mrs. Stroder. If so state what it was he said.

Ans I never heard him say anything about said Cedar trees as I now wit claim remember.

J. F. Gibson

Wm. R. Wood an other witness of lawful age being duly sworn deposes and says.

I am a son of Mrs Helen Wood, I am now about 44 years old, I was 11 years old when my mother moved on the farm that she now claims, where she now and has ever since resided, which I can describe as follows

Beginning on A. C. McVies line on the creek bluff, thence with the bluff South to the corner of 11 acre field owned by Wm Davis, thence continuing

South, with the west side of
said field crossing the woodland
to the corner of a field known
as the 14 acre field, then running
with the fence on the west side
and including the 14 acre field
to a cross fence between her
and Alex^r Ewing's land, thence
East with said cross fence
to a fence of a field known
as a 12 acre field, and with
the fence of said 12 acre field
southward to the Lowell
Public Road, thence with
said Road Eastwardly
as it meanders to said Mc
Nels lines, and with his
lines to the beginning, this
is the boundary of land she
has occupied, used and
claimed as her own since
she moved upon it, except
some portions which she
has only had in possession
about 19 years. a part of
this land she has had cleared,
fenced, built houses, Stables &

Cribs & put other improvements
on it, and during this time
she has used said land in
every way as her own
paying no one any rent
as I know of, nor has any
one else taken any control
thereof so far as I know.

X Examined

Ques. 1. When did Mrs. Wood live
before she moved on these
premises?

Ans. She lived in a house
situated in Alex. Ewings yard
and connected by an entry
with his house, I cannot
state how long she lived
there, I have been informed
that I was born at that
place -

Ques. 2. Was the Husband of Mrs. Wood
dead at the time she moved on
the premises here in dispute?

Ans. He was gone I don't suppose he
was dead, he left a short time
before she moved where she ^{now} lives.

Ques. 3. What was the financial condi-
tion of Mrs. Wood at the time she

Ans. moved on - This land in question?
I don't think she had much
means that is my recollection
of it.

Ques 4. Was her financial condition
better or worse at the time of
Ewings death than at the time
she moved on these premises?

Ans. It was better.

Ques. 5. What was her vocation or
business for making a living
up to ~~time~~ she moved on this
land.

Ans. Farming I suppose, by renting
land.

Ques. 6. What loss did Mrs Hood
sustain or incur by moving
on this land?

Ans. I don't know that she lost anything.

Ques. 7. How ^{long} before Mrs. Hood moved
on these premises was it that
her husband had left her?

Ans. A very short time, possibly
not over two or three months.

Ques 8. Is the whole of the bounded
by you above describe fenced

W. H. Wood

Harvey L. Wood an other witness
of lawful age being duly sworn
deposes and says.

I am a son of Helen S. Wood, and
41 years old, I have heard read
over the deposition of Harv. Wood,
and have heard his cross ex-
amination. I agree with him
in his statements as to the
boundary, occupation, contour
and claim to said land by my
mother and in all other things
except a few things of which he
speaks, which was before my
recollection. And in addi-
tion thereto on Thursday
before Mr Alex Ewing died
on the following Saturday
I heard him say that Mr.
Wood was spending all her
money on Bonnie her daughter
sending her to school and that
she had better keep her fingers
up, & that she was letting her

Services & farm go down. I was
raised near by Mr. Ewing, on
this land by my mother and
Mr. Ewing never took any control
of this farm nor did ~~she~~ exercise
any rights of ownership over
it, nor did she ever pay him
any rent off of this land but
she did cultivate land on
Mr. Ewing's farm and paid
him rents therefore Mr.
Ewing would some times
make suggestions to my
mother how to manage
her farm, some times she
would heed his advice
and some times she would
not, and he has often
said so much to me and
other neighbors,

In saying that he never
had any thing to do with said
land, I mean after my
mother came into possession
of it.

Examined

Ques. 1 After the death of Alexander

Ewing and the appointment of Joseph Ewing as Adm. did you not tell said Joseph in the house on said premises when he ^{went} ~~came~~ to rent said land that your mother had the 14 acre field rented for that year from Alex Ewing?

This question is excepted to, - Because Mrs Wood was not present; and what the witness said could not affect her right. - Ors & Dilemore

Ans I did not, but when Mr. Joseph Ewing came to rent out the land, my understanding is that he asked whether my mother had the 14 acre field, and I told him she had. I don't think he used the word rent in speaking of said field.

Ques. Please state if on said land and after said Alex. Ewing's death you did not propose to Joseph Ewing to buy his interest in this land in question and

~~at the same time stating that your~~
~~mother had no claim to this land.~~
This question is also excepted to
because Mrs Hood was not pres-
ent and the witnesses statement
could not affect her right. The
question is not material to the
issue
Orr & P

Ans. I never did, but I proposed
to him to buy his interest in
the lands of Alex. Ewing and
asked him to give me
the refusal of it.

Ques. Did you not state on that
occasion refused to the next
question preceding this that
you would buy said Joseph's
interest in said land if you
could get it - layed off to you -
adjoining the lines of your land
and Alex Ewings land -
This question is excepted to for the
reasons above stated -

Orr & P

Ans. I might have said it, but I
can't remember that I did.

Ques. Please point out the things

in Mr. R. Hoods statement that
were before my recollection.

Ans - I don't remember the house
we lived in, before my mother
moved where she now lives,
nor do I recollect when her
certain husband left.

The depositions of John C. Ayers taken pursuant to an agreement between the parties, on the petition of Helen S. Wood filed in the Chancery Cause of Joseph H. Ewing vs A. C. McVie & wife et al, now pending in Lee Circuit Court, which are intended to be read as evidence on behalf of said Helen S. Wood on her petition.

Present Attorneys for the parties
Said John C. Ayers being duly sworn deposes and says
At Some seven or eight years ago, (in watermelon time), I had a conversation with Alex. Ewing in which ^{he} said he had lotted or given to Mrs. Helen Wood a certain boundary on piece of land, and that he had done so many years back, but did not say how far back.

Soon after this I went to Mr. Ewing for some timber to build a corn crib, he told me that I could not go on the land of Mrs. Wood, pointing it out to me,

X Examined by Plaintiff

Ques. 1 Do you live in the neighborhood of said land, & How long have you been acquainted with it, and what is its quality?

Ans I do live in the neighborhood of said land, and have lived on adjoining lands of this Ewing land for the past 9 years. I have known said land for the same length of time, it is a tolerably fair quality of land.

Ques. 2 What would be reasonable fair cash rental value of said land per year for the time you have known said land?

Ans I consider it as reasonably worth 120^{or 200} per year.

Ques. 3 Have, ^{or what} the rents and profits of said land for 19 years pay for the building of the house in which Mrs. Shadd now lives, the out-houses, cribs, stables &c?

Ans I reckon it would.

Ques. 4 Were you or not a frequent

visitor of Mr. Alex. Ewing in
his life time?

Ans. I was at his house often.

And further this witness saith not.

The depositions of Thomas
Givens & others taken pursuant
to an agreement between the parties
on the 7th day of August 1890,
at the Clerk's office of the circuit
court for Lee County, which when
taken are intended to be read
as evidence in favor of the
defendant on a petition filed
by Helen S. Wood in the Chancery
Cause of Joseph H. Ewing et al
vs A. C. McNeil et al.

Present attorneys for Plff & Defts
Thos. Givens a witness of lawful
age being duly sworn deposes
and says.

I am acquainted of the land on
which Mrs Helen Wood now resides
here in question, and have lived
within 3 miles of the same for the
past 30 years. the house in which
she lives has been built 27 years at
least it was there before the late
war - Mrs. Wood lived in Alex.
Ewing's yard when I first knew
her, in the Spring of 1857.

I have frequently had conver-
sations with Mrs. Wood as to the

reclected that and
that she had none

land there in question, and since
the death of Alex. Ewing, about
a year or over ago, I had a con-
versation with said Helen S. Wood
in which she spoke to me and said
she supposed they would turn her
out, ~~then asked her if she~~
~~she had no paper for said~~
~~land, but further said she had~~
~~nothing it of said Alex. Ewing~~
for that year.

ques.

By Deffs - In this conversation
~~what~~ did you tell Mrs. Wood
what to do with said land for
that year under the circumstances.
The above question is excepted
to, because, what the witness
said to Mrs Wood is immaterial

A. L. Pickens

Ans. I told her to make all out of
it she could as she might not
get it for no other year.

Verap Examined

During the thirty years you have
known the farm on which
Mrs Wood now lives, who ac-
crued cultivated managed and
controlled it - To whom did
you understand it belonged?

Ans. I first understood that it went in the name of Alex. Ewing, but after Mrs. Wood had occupied it for some time it was my understanding that he had given it to Mrs. Wood, and it went in her name and I thought it was hers, it was always called Mrs. Woods land.

Remained by self

How did you get your understanding that this land was Mrs. Woods.

Ans. Alexander Ewing, when I would be threshing with my machine, would say to me you must go up to Mrs. Wood and thresh there ~~next~~ and come back here for your dinner, as she is here helping us to cook.

Mrs. Wood always paid me the toll up at her home for all the threshing I done for her.

Ques. - 2 In renting out lands for what in this neighborhood is it not usual for the renter to pay the toll?

The above question is excepted to because no renting is shown & what is generally shown is not germane to the issue.

Orr & Pilemore

Ans. It has always been customary for the renter to pay his part of toll and the land owner to pay his part of the toll.

ques. 3 Did not Wm Davis live upon a portion of Mr. Ewings land a number of years. if so did you ever hear him (Ewing) speak of this, and in speaking of this, was it or not a fact that he spoke of this land as that of said Davis? This is also excepted to, because what Wm Ewing said is not competent for the jury to prove and much more so is not proper to prove what he said about other lands or parties?

Orr & Pilemore
per seft

Ans. Mr. Davis did live on Mr. Ewings land, and in speaking of it

Mr Ewing would speak of it as up at Bill Davis's, as he would up at Mrs. Wood's, he would speak of the two places in the same way.

Re-Cross Examined

Question Did or not you ever know Mr Davis to pay Mr Ewing any rent?

Ans. I did, Mr. Davis was well known and understood in the neighborhood as a friend of Mr. Ewing's.

Question Did or not you ever know of Mrs Wood paying Mr Ewing any rent?

Ans. I never did, I never ^{whether} knew she did or did not, but I did not suppose she did as she always paid me the toll on all ~~the~~ ~~raised on her land~~ the wheat and oats that I threshed for her.

I find further this witness with out.

Thos. S. Ely an other witness of lawful age being duly sworn says I am well acquainted with Oliver S. Wood, I had a conversation

with her about 3 weeks after
the death of Mr. Buring, she
seemed to be greatly troubled
and was crying. I asked her
if she had a right to the land
and she answered she had not,
and that Buring's heirs were very
hard on her. She went on to say
that she had been a slave for
Mr. Buring a long time. She
claimed in the same conversation
that the land was hers, and I
had always understood that the
land did belong to her and
it surprised me to learn that
she had no title to the same.

I have known the land since
the 24th Aug. 1858, and Mrs. Wood
has been living when she now
lives ever since that time. I
live within 2 1/2 miles of said
contested land.

Thos. S. Ely

Chas. S. Hamblin a witness
of lawful age being duly sworn
says.

Ans. 1 By Plaintiff

Please state whether or not
you had a conversation with
Mrs. Wood after said Ewing's death,
concerning the land here in
question, and did she or not
in that conversation set up
any claim to the same.

Ans.

I did have a conversation with
Mrs. Helen Wood after the death of Alex.
Ewing, on the day of the sale of his
personal property. She asked me to
call on her ^{on the next day which was Sunday}. She seemed to be very
much troubled, and on Sunday the
day following I did call on her
and had a conversation with her
concerning the affairs of Mr. Ewing
in which conversation she re-
marked that she believed she could
hold the land here in question
by possession, I then asked her
who had been paying the tax on
said land, and she answered
that Mr. Ewing had always paid
the taxes, that she had several
times proposed to pay the taxes,
when Mr. Ewing would always
say, it would make no difference
that he would pay it.

Verob Examined

How long have you known the land & premises in controversy - Who has lived upon occupied and cultivated them, and to whom did you understand them to belong?

The latter part of this question is objected to, because the understanding of witnesses is not evidence unless obtained from the proper source.

E. W. Framington

Ques. I can not state the length of time I have known said land, or how long she has occupied it, but in the conversation before mentioned as had with her, she remembered that she had been in possession of said land for 40 years. I have known said land at least since the late war, and Mrs. Webb has been occupying it since then. I can't say that I had any understanding as to whom said land belonged, all I knew of it was that she.

7 lived on it.

pursuant to adjournment,

W. O. Winter a witness of
lawful age being duly sworn
says.

Ques. 1 by P. E. P.

Are you acquainted with the
lands on which Mrs. Hood
now lives and to which she
seeks to set up title to in
this suit?

Ans. I am tolerably well acquainted with
it but don't exactly know the boundary
she claims only as I have heard, or
been told where she claims

Ques. 2 Is the whole of the boundary
that has been represented to you
as that claimed by Mrs. Hood

entirely enclosed by her
fencing, if not about how
much of this boundary is
enclosed and what kind of
land is it?

Ans. It is not all enclosed as shown
me, there is a certain boundary
in woods which I learn she claims
which I suppose embraces about
15 acres on one side, and on
the other end I suppose there
is about 4 acres in woods
not enclosed, as to the number
acres this is only guess work.

Ques. 3. ~~Is~~ ^{Is} this unenclosed land
connected to & with the other
lands of the said Alex. Auler
Ewing, and was^{he} at the time
of his death in the actual oc-
cupation ^{and possession of his} of any lands ~~lands~~
~~the~~ connected with this unen-
closed land here claimed by
Mrs. Hoels.

Ans. The lands he occupied and lived on
at the time of his death adjoined the
woodlands above mentioned, he
gave me permission to burn coal
pits on lands adjoining this land.

—Enquired

Wines by Lefty Carmel - Has or saw the coal
pits of which you speak on the
farm on which Mr. Ewing
lived at the time of his death.

I suppose it was, his land all lies in
a body together; the coal pits were
not on the boundary claimed by

To the Hon. H. St. Merion Judge of the
Circuit Court of Lee County Virginia:

Pursuant to your decree entered in said
cause on the 10th day of Decr. 1890 I as the court
who sold the two small tracts of land in this cause
for \$700. have turned over to J. H. Ewing as admt. of
Alyd Ewing decd. the nett proceeds of ~~state~~ sale
of said land, and the same now amounts to
the sum of \$743.25 as will be seen by the receipt
of Mr. J. H. Ewing hereto attached.

The purchaser (H. G. Wood) of the larger of said two
tracts, on the second of Decr. 1890. the day it became
due, paid one half of the purchase price amounting
to \$318. and this money I turned over to said J. H. Ewing
and said Wood having paid one half the purchase
money. I think a deed of conveyance might be
made to him with propriety by retaining therein
the vendors lien for the unpaid purchase money.

B. F. Kincaid the purchaser of the small tract of
13 or 14 acres has paid in full the purchase price
he is therefore entitled to a deed of conveyance for the same.

vs. } In Chy.

A. B. McKil wife & others Defts.

To the Hon H. S. K. Morrison Judge of the Circuit Court
of Lee County Virginia:

On Monday Dec. 2 1889 that being the first day of the
Circuit Court for Lee County, I as a Special Commissioner
proceeded to offer for sale to the highest bidder at Public Auction
at the front door of the Court house of said county, the two
tracts of land ordered to be sold by a decree entered in this
cause at the Sept. Term of your Honor's Court for the year 1889.

One of these tracts is known as the Sauthers tract, and is referred
to in the bill as containing 13 acres, and the other is known
as the Davis tract, and is referred to in the Peffs bill as
containing 137 acres. And by a recent survey thereof, the
first is ascertained to contain 14 acres and the second 165 acres
and these recent surveys are herewith filed, the first marked
A. B. and the second (A. B.) and these plats were present at
the time said tracts were offered for sale and the quantity
of land which they show each tract contains was announced
by me to the bidders; These offerings were made on the
terms prescribed by the decree of Sept. 1889, and I did not require
any thing to be paid in hand.

At this offering of said land for sale B. F. Kincaid bid
the price of \$100. for the Sauthers tract of 14 acres and H. S.
Wood bid the price of \$600.00 for the Davis tract of 165 acres and
these were the highest and best bids offered for said tracts
respectively, and the said B. F. Kincaid thereupon became
the purchaser of the first at the price of \$100. and said Wood
became the purchaser of the second at the price of \$600.00, and
said Kincaid with C. H. Kincaid as his security
thereupon executed to me as below their joint bond for \$100.

1 bearing interest from date, and payable in 12 Months, and
2 said H. G. Wood with A. B. Murrey as his security executed
3 to me his two bonds for \$300. each bearing interest from date
4 and one of them payable in 12 Months & the other in two years.
5 The little tract purchased by McKinnand is well sold
6 and the other was bid off at a low price; a number of
7 the parties ^{however} interested were present, the sale was fair and
8 open, and I used the best effort I could to get a better price
9 for each, but failed to do so. The first I have no hesitancy in
10 saying ought to be confirmed and I see no reason why the
11 second ought not also to be confirmed.

12 The Heirs to this estate are numerous, and as I have not
13 collected any commission on said sales, I desire to have the
14 privilege of turning these notes over to the admt. and let him
15 discharge the same which he can do without additional trouble
16 and by doing so save so many settlements and much other trouble.

A. G. McNeil wife & al

Defts

To the Hon H. S. K. Morrison Judge of the Circuit Court
of Lee County Virginia

This suit was brought originally for the purpose of selling
or partitioning the lands of the late Alexander Ewing dead among
his heirs at law, and during the pendency of the suit, B. F. Kincaid
bought out the heirs therein to the extent of one half thereof, or
 $\frac{7}{14}$ the thereof and has a constitutional contract for another $\frac{1}{14}$ of
thereof, trust for that of A. G. McNeil & wife interest therein.

While these matters were going on, the heirs of Stephen Ewing
dead, who are entitled to $\frac{2}{14}$ of said land, and Sarah E. Coffin
who owns a like interest therein, and the heirs of Calista Bay dead
who own a $\frac{1}{14}$ of the therein authorized the undersigned to act
as their agent for the sale of their interest in said land, and the
undersigned owns $\frac{1}{14}$ interest therein in his own right, and thus
it will be seen that the subscriber has under his control $\frac{6}{14}$ of
of said real estate:

One Helen S. Wood now claims a part of the said Alexander
Ewing land, and the same is in litigation and the matter thereof
is pending in the Supreme Court of Appeals of the state:

The undersigned now begs leave to report and state that
he has sold and conveyed his own interest in said real estate
to Harrison E. Edlds and Peter F. Chance for the sum of \$800.00
one half of which was paid in cash, and the other half is to be
paid in 12 months time from the 16th day of May 1891 with
interest from that date. But if the said Helen S. Wood shall hold
the land now claimed by her, then there is to be the sum of Two
Hundred dollars to be deducted out of said deferred payment
as of the said 16th day of May 1891.

Believing that he made a good sale for himself, the undersigned

acting as the agent of Stephen Ewings heirs, Mrs Coffin and the heirs of Belina Cox, have sold their interests in said lands to the same parties Eddis & Chance on the same terms as that of his own, with this difference, that Stephen Ewings heirs are to get \$1600.00 for their $\frac{2}{14}$ th and Mrs Coffin the like sum, and in the event that Mrs Wood holds the deed claimed by her there is to be deducted out of each of said sums out of the deferred payment Four Hundred dollars each ^{instead of \$200} and the first payment is not to be made until a title shall be made to the said Eddis and Chance.

As before stated the undersigned has made his deed of conveyance to said Eddis & Chance. Mrs Coffin has made her deed to them for her $\frac{2}{14}$ th. The Cox heirs have also made their deeds to ^{for them} $\frac{2}{14}$ th but the heirs of Stephen Ewing deed have not so conveyed their $\frac{2}{14}$ th and some of them as it is said are non compos mentis and cannot make a valid deed of conveyance. And beside this the heirs of said Stephen Ewing are quite numerous, being somewhere between 18 & 25 or 30 of them, and are scattered all over the southern and western country, so that it is almost if not impossible to procure deeds of conveyance from them.

Now the object in making this report, is to obtain a Decree of your Honor in this cause, confirming and ratifying the sale made by the undersigned of the interest of said Stephen Ewings heirs to the said Eddis & Chance and he prays that the said sale be confirmed and ^{that} a commissioner be appointed to convey their interest to said Eddis & Chance.

Respectfully submitted!
